

# YARRA RANGES PHOTOGRAPHIC SOCIETY

June already? Where has the year gone so far? A very warm welcome to all, especially to the newest members of our club. We hope you are enjoying our monthly meetings, and finding inspiration in the work of others.

Winter is now officially upon us! Chilly, foggy mornings are creating wonderful photographic opportunities - if you have the will to drag yourself out of a nice cosy bed!

I doubt the cold here can be compared to the Antarctic freeze that Chris Hoare endured on his adventure excursion down south! He captured some amazing images (the boat's bow plunging into the waves was my favourite!) which he presented on slides with wonderful narrative. Thank you for taking the time to share your adventure with us Chris!

You'll find lots of news & interesting bits in this issue, so knuckle down & read on ..... Cheers, *Di*
